No additional materials are needed.

#### INSTRUCTIONS

- Answer all questions.
- Use a black or dark blue pen. You may use an HB pencil for any diagrams or graphs.
- Write your name, centre number and candidate number in the boxes at the top of the page. •
- Write your answer to each question in the space provided.
- Do not use an erasable pen or correction fluid.
- Do not write on any bar codes.
- You may use a calculator.

#### **INFORMATION**

- The total mark for this paper is 80.
- The number of marks for each question or part question is shown in brackets [ ].

This document has 12 pages. Any blank pages are indicated.

- 1 After identifying a gap in the soft drinks market, Jerome developed a low sugar drink. He borrowed \$5000 from family and friends to start-up a business and to provide working capital. Jerome operates as a sole trader. To promote his product, Jerome handed out free samples in the town centre. In the first year, Jerome's business sold 10000 units. This is 200 units more than his break-even output. Jerome is considering ways to increase added value.
  - (a) Identify two features of a sole trader. Feature 1: ..... ..... Feature 2: ..... ......[2] (b) Define 'working capital'. ..... ......[2] (c) Outline two ways that break-even information can help Jerome's business. Way 1: ..... ..... ..... Way 2: ..... ..... .....[4]

Explain how each of the following can help Jerome increase added value:
Change the packaging:
Use cheaper materials:

Do you think giving out free samples is the best method of sales promotion for a busines use when promoting a new food product? Justify your answer.

2 NSN is a multinational company. It makes cars. Over the years, technology has changed production methods. NSN uses just-in-time inventory control in all its factories. NSN plans to open a new factory in country Z creating 7 000 jobs. Country Z's Government has offered an \$80m grant to NSN. A spokesperson for NSN said: 'Governments should support business activity. There were also other factors that influenced our decision to build the new factory there including the possible effects of economic growth.'

(a) Define 'multinational company'.

BGR is a private limited company. It operates 6 cinemas in different towns. Effective internal communication is important for BGR. The Finance Director has been analysing BGR's accounts

communication is important for BGR. The Finance Director has been analysing BGR's accounts and an extract is shown in Table 4.1. BGR plans to open another cinema and will need to recruit 10 new employees. The new cinema will cost \$8m. The Finance Director has to decide whether BGR should issue new shares or use a bank loan to finance the expansion.
